02

STEP BY STEP INSTRUCTIONS

1. Gather any reusable materials you have on hand.
2. Experiment with combining these materials in various ways to create something unique and imaginative.
3. Use glue, tape, or scissors as needed to secure your design.
4. Put your recycled creation to good use!
5. Share your completed project on social media and tag Team Kids. You'll automatically be entered for a chance to win our monthly gift card giveaway!

03

REFLECTION QUESTIONS

- What item did you create? What do you plan on doing with your newly recycled item?
- Do you believe that if more people recycled, the earth would be a cleaner place? Why do you think so?
